

ANNEX E - RESEARCH
APPENDIX 2 - RESEARCH NARRATIVE

E2-1. The research narrative contained in the following paragraphs of this Appendix consists of two elements. The first is a narrative of the site, the second is a narrative of the landscape, or landscapes, in which the site sits; each of which may be broken down further in to component periods.

E2-2. **Site Narrative.** To be developed.

E2-3. **Landscape Narrative.** To be developed.
